

Service Type	
The following Service Types are used for documenting placements in WiSACWIS:	
AAFC Adoptive Home	This is used to document State Adoption placements for Adoption Assistance payments.
CCI – AWOL	This is used to document a placement in a Child Caring Institution when a child has run away from the CCI facility but the worker wishes to continue to hold the child's bed for up to 5 days. This is a non-pay service type.
CCI – AWOL Non Payment	This is used to document a placement in a Child Caring Institution when a child has run away from the CCI facility for over 5 days but the worker wishes to continue to hold the child's bed at the CCI facility. This is a non-pay service type.
CCI – AWOL Rate 1	This is used to document a placement in a Child Caring Institution when a child has run away from the CCI facility but the worker wishes to continue to hold the child's bed for up to 5 days. Rate 1 relates to the continuum of care such as the child being in full time care at the CCI facility. The CCI can continue to be paid while the child is AWOL; however, a provider specific rate is used under this circumstance.
CCI – AWOL Rate 2	This is used to document a placement in a Child Caring Institution when a child has run away from the CCI facility but the worker wishes to continue to hold the child's bed for up to 5 days. Rate 2 relates to the continuum of care such as the child being in a CCI facility with payment equivalent to a group home rate. The CCI can continue to be paid while the child is AWOL; however, a provider specific rate is used under this circumstance.
CCI – AWOL Rate 3	This is used to document a placement in a Child Caring Institution when a child has run away from the CCI facility but the worker wishes to continue to hold the child's bed for up to 5 days. Rate 2 relates to the continuum of care such as the child being in a CCI facility with payment equivalent to a treatment foster home rate. The CCI can continue to be paid while the child is AWOL; however, a provider specific rate is used under this circumstance.
CCI – CHPS	This is used to document a placement in a Child Caring Institution in which the child currently has an open/active CHIPS petition. Rate 1 relates to the continuum of care such as the child being in full time care at the CCI facility.
CCI – CHPS Rate 2	This is used to document a placement in a

	Child Caring Institution in which the child currently has an open/active CHIPS petition. Rate 2 relates to the continuum of care such as the child being a CCI facility with payment equivalent to a group home rate.
CCI – CHPS Rate 3	This is used to document a placement in a Child Caring Institution in which the child currently has an open/active CHIPS petition. Rate 3 relates to the continuum of care such as the child being a CCI facility with payment equivalent to a treatment foster home rate.
CCI – JIPS/DELQ	This is used to document a placement in a Child Caring Institution in which the child currently has an open/active JIPS petition or has been found delinquent by the courts.
Family Group Home	This is used to document a placement of a child in a family based group home facility. This service type falls under the service category of Group Care.
Foster Care/Default Provider - NON PAY	This is used to document the placement of a child with a provider in which the provider does not receive payments. Due to the need to document the child's placements without interruption while the child is in the custody of the county or state such a service type is necessary in order to document consistent placements within the system.
Foster Home – Contracted – AWOL	This is used to document a placement of a child in a non-relative contracted foster home in which the child has run away from the foster home but the worker wishes to continue to hold the child's bed for up to 5 days. This is a non-pay service type.
Foster Home – Contracted – 0-4 years old	This is a placement type associated with a non-relative contracted provider who is licensed to provide care for a child in the 0-4 age range.
Foster Home – Contracted – 5-11 years old	This is a placement type associated with a non-relative contracted provider who is licensed to provide care for a child in the 5-11 age range.
Foster Home – Contracted – 12-14 years old	This is a placement type associated with a non-relative contracted provider who is licensed to provide care for a child in the 12-14 age range.
Foster Home – Contracted – 15+ years old	This is a placement type associated with a non-relative contracted provider who is licensed to provide care for a child in the 15+ age range.
Foster Home- Relative- AWOL	This is used to document a placement of a child with a provider who is a relative of the child being placed into the home in which the child has run away from the home but the worker wishes to continue to hold the child's bed for up to 5 days. This is a non-pay

	service type.
Foster Home - Relative 0-4 years old	This is a placement type associated with a provider who is a relative of the child being placed into the home. The provider would be licensed to care for a child in the 0-4 age range.
Foster Home - Relative 12-14 years old	This is a placement type associated with a provider who is a relative of the child being placed into the home. The provider would be licensed to care for a child in the 12-14 age range.
Foster Home - Relative 15+ years old	This is a placement type associated with a provider who is a relative of the child being placed into the home. The provider would be licensed to care for a child in the 15+ age range.
Foster Home - Relative 5-11 years old	This is a placement type associated with a provider who is a relative of the child being placed into the home. The provider would be licensed to care for a child in the 5-11 age range.
Foster Home - Spec. License- AWOL	This is used to document a placement of a child with a provider who has been licensed to provide care to a specific child in which the child has run away from the foster home but the worker wishes to continue to hold the child's bed for up to 5 days. This is a non-pay service type.
Foster Home - Spec. License 0-4 years	This is a placement type associated with a provider who has been licensed to provide care to a specific child who is in the 0-4 age range.
Foster Home - Spec. License 12-14 years	This is a placement type associated with a provider who has been licensed to provide care to a specific child who is in the 12-14 age range.
Foster Home - Spec. License 15+ years	This is a placement type associated with a provider who has been licensed to provide care to a specific child who is in the 15+ age range.
Foster Home - Spec. License 5-11 years	This is a placement type associated with a provider who has been licensed to provide care to a specific child who is in the 5-11 age range.
Foster Home- Gen. License- AWOL	This is used to document a placement of a child in a non-relative foster home in which the child has run away from the foster home but the worker wishes to continue to hold the child's bed for up to 5 days. This is a non-pay service type.
Foster Home - Gen. License 0-4 years old	This is a placement type associated with a non-relative provider who is licensed to provide care for a child in the 0-4 age range.
Foster Home-Gen. License 12-14 years old	This is a placement type associated with a non-relative provider who is licensed to

	provide care for a child in the 12-14 age range.
Foster Home-Gen. License 15 + years old	This is a placement type associated with a non-relative provider who is licensed to provide care for a child in the 15+ age range.
Foster Home-Gen. License 5-11 years old	This is a placement type associated with a non-relative provider who is licensed to provide care for a child in the 5-11 age range.
Foster Home- Gen. Out of County- AWOL	This is used to document the placement of a child with a non-relative foster home provider who lives outside of the county and is licensed by another county in which the child has run away from the foster home but the worker wishes to continue to hold the child's bed for up to 5 days. This is a non-pay service type.
Foster Home-Gen. Out-of-County 0-4 years	This is used to document the placement of a child with a foster home provider who lives outside of the county and is licensed by another county. The provider is licensed to provide care of a child in the 0-4 age range. This type is necessary to document certain types of placements until all counties are online with WiSACWIS.
Foster Home-Gen. Out-Of-County 5-11 years	This is used to document the placement of a child with a provider who lives outside of the county and is licensed by another county. The provider is licensed to provide care of a child in the 5-11 age range. This type is necessary to document certain types of placements until all counties are online with WiSACWIS.
Foster Home-Gen. Out-Of-County 12-14 years	This is used to document the placement of a child with a provider who lives outside of the county and is licensed by another county. The provider is licensed to provide care of a child in the 12-14 age range. This type is necessary to document certain types of placements until all counties are online with WiSACWIS.
Foster Home-Gen. Out-Of-County 15+ years	This is used to document the placement of a child with a provider who lives outside of the county and is licensed by another county. The provider is licensed to provide care of a child in the 15+ age range. This type is necessary to document certain types of placements until all counties are online with WiSACWIS.
Foster Home- Out of State	This is used to document the placement of a child with a provider who lives outside of the State of Wisconsin.
Foster Home- Out of State AWOL	This is used to document the placement of a child with a non-relative foster home provider who lives outside of the State of Wisconsin

	in which the child has run away from the foster home but the worker wishes to continue to hold the child's bed for up to 5 days. This is a non-pay service type.
Foster/Adoptive Home – Contracted AWOL	This is used to document the placement of a child in a contracted foster/adoptive home in which the child has run away from the home but the worker wishes to continue to hold the child's bed for up to 5 days. This is a non-pay service type.
Foster/Adoptive Home – Contracted 0-4	This is a placement type associated with a non-relative contracted provider who is licensed to provide foster or adoptive care for a child in the 0-4 age range.
Foster/Adoptive Home – Contracted 5-11	This is a placement type associated with a non-relative contracted provider who is licensed to provide foster or adoptive care for a child in the 5-11 age range.
Foster/Adoptive Home – Contracted 12-14	This is a placement type associated with a non-relative contracted provider who is licensed to provide foster or adoptive care for a child in the 12-14 age range.
Foster/Adoptive Home – Contracted 15+	This is a placement type associated with a non-relative contracted provider who is licensed to provide foster or adoptive care for a child in the 15+ age range.
Foster/Adoptive Home – 0-4 years old	This is a placement type associated with a non-relative provider who is licensed to provide foster or adoptive care for a child in the 0-4 age range.
Foster/Adoptive Home – 5-11 years old	This is a placement type associated with a non-relative provider who is licensed to provide foster or adoptive care for a child in the 5-11 age range.
Foster/Adoptive Home – 12-14 years old	This is a placement type associated with a non-relative provider who is licensed to provide foster or adoptive care for a child in 12-14 age range.
Foster/Adoptive Home – 15+ years old	This is a placement type associated with a non-relative provider who is licensed to provide foster or adoptive care for a child in the 15+ age range.
Foster/Adoptive Home - AWOL	This is used to document the placement of a child in a foster/adoptive home in which the child has run away from the home but the worker wishes to continue to hold the child's bed for up to 5 days. This is a non-pay service type.
Group Care-AWOL	This is used to document the placement of a child in a group care facility in which the child has run away from the facility but the worker wishes to continue to hold the child's bed for up to 5 days. This service type falls under the service category of Group Care. This is a non-pay service type.

Group Home	This is used to document the placement of a child in a group home facility. This service type falls under the service category of Group Care.
ICPC Foster Care – Non Pay	This placement type is used to document the placement of an ICPC child in the home of a Wisconsin provider. The placement type is non-pay as the sending ICPC state pays for this placement instead of the county or the State of Wisconsin. This service type falls under the service category of Foster/Adoptive Home.
Kinship Care – AWOL	This placement type is used to document a kinship placement in which the child has run away from the kinship home but the worker wishes to continue to hold the child's bed for up to 5 days. This is a non-pay service type.
Kinship Care Provider – CHIPS	This placement type is used to document a kinship placement in which a child is court ordered to be placed with a kinship provider due to a CHIPS petition.
Kinship Care Provider – Long Term 48.977	This placement type is used to document a kinship placement in which the kinship provider has also been granted guardianship of the child.
Kinship Care Provider – No Court Order	This placement type is used to document a kinship placement in which a child is placed with a kinship provider; however there is no court order mandating this placement.
Mental Health Inpatient- NON PAY	This is used to document the placement of a child in a mental health facility in which the placement is for inpatient services.
Non-Relative Care – Unlicensed	This is used to document a placement in which the provider is not a relative of the child being placed into the home and the provider is not currently licensed to provide care for the child. This service type falls under the service category of Non-Relative Care Unlicensed.
Non-Relative Care Prov. – Court Ordered	This is used to document a placement in which the provider is not a relative of the child being placed into the home and the child is court ordered to be placed with this provider due to a court order. This service type falls under the service category of Non-Relative Care Unlicensed.
Non-Relative Care Prov. – Em Prot Plan	This is used to document a placement in which the provider is not a relative of the child being placed into the home and this placement is a result of an emergency protective plan. This service type falls under the service category of Non-Relative Care Unlicensed.
Non-Relative Care Unlicensed – AWOL	This is used to document a placement when a child has run away from the home of a

	non-relative provider but the worker wishes to continue to hold the child's bed for up to 5 days. The provider is not currently licensed to provide care for the child. This service type falls under the service category of Non-Relative Care Unlicensed. This is a non-pay service type.
Receiving Home – AWOL	This is used to document the placement of a child in a receiving home in which the child has run away from the facility but the worker wishes to continue to hold the child's bed for up to 5 days. This is a non-pay service type.
Receiving Home – 0-4 years old	This is the type associated with a child who is placed in a receiving home that is licensed to provide care for child in the 0-4 age range.
Receiving Home – 5-11 years old	This is the type associated with a child who is placed in a receiving home that is licensed to provide care for child in the 5-11 age range.
Receiving Home – 12-14 years old	This is the type associated with a child who is placed in a receiving home that is licensed to provide care for child in the 12-14 age range.
Receiving Home – 15+ years old	This is the type associated with a child who is placed in a receiving home that is licensed to provide care for child in the 15+ age range.
